REASONS FOR ALLOWANCE

1. Claims 1 - 20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest, in combination with the claimed elements, a guiding means fixedly mounted on an electric vehicle for restricting a free end of an operation bar to move reciprocally in a first moving path and a second moving path, that extending in different directions, the free end being allowed to move in the first moving path to actuate a first switch, and in the second moving path to actuate a second switch, wherein when the free end of the operation bar is moved from the second moving path to the first moving path, the second switch is automatically and always first switched to the low rotation speed position and a user is prevented from accidentally moving the operation bar from the first moving path to the second moving path and vice versa.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
